Chicken BBQ: Shelli said approximately 250 tix have been sold. FH/FB sold approximately 152, and though there are still a lot out there, Denise made an announcement in school to remind teams and players/ coaches to turn in their tixs and money ASAP. Mike Satterlee said he would remind those teams that have not turned any money in. If all athletes sold tix, we would have sold 472 tixs for dinners. It is expected that we will get closer to that number this week.

Downtown Window decorations: NO CLASSES VOLUNTEERED. We asked if someone could talk to the downtown businesses about decorating themselves.

Local Businesses hosting evening get togethers: Some people have talked to a few places (Pino's) but we aren't going to push to do this, as there is already a lot going on for one day.

New business: Shelli talked about getting a tax exempt number. Mike stated that it's been tried but if Shelli thinks she can do it, he encouraged her to go for it!!
