A Message from the Principal

Dear Parents,

We are off to an outstanding beginning to our school year. It is hard to believe that progress reports will be coming out soon. They will be distributed to your daughter or son on Friday, October 14, please be looking for them. If you do not receive one, please do not hesitate to call the guidance office at 762-3726 to receive a duplicate copy. Take the time to review the progress report with your student and discuss it with them. The best way to help your son or daughter succeed is to continue to be involved with their education.

As weather grows colder, we would like to continue to go outside for recess during lunch. Please have your child bring proper attire.

The next PTSA meeting will take place Wednesday, October 5, at 6:30 in the library.

Sincerely,

Michael Satterlee
Principal

Progress reports and report cards will be distributed to students following the high school's schedule which is printed on the District calendar. The District calendar can be printed off the District website www.johnstownschoools.org
