Discussed ideas for making the front of the school more welcoming. Mr. Ziomek will looking into getting an electronic sign for outside the school. Missy Miles will look into Warren Street Pillar Wrap. A suggestion was also made regarding using window paints to decorate the classroom and office windows. The Fall Festival is underway. The art teachers are going to once again help with the storybook parade. Currently looking for ideas for presenters for morning activities; will be contacting last year's presenters to see who will be available on that day (October 29<sup>th</sup>). The night time event will be geared toward a Halloween theme like last year. Lots of parent volunteers are needed to make the day a success.
