Use this form for kindergarten students who live within a half-mile (.5) from the nearest elementary school or grade 1-6 students who live within one and a half miles (1.5) from the nearest elementary school (nearest to your home, not necessarily school of attendance). If you live more than the above mileage, do not complete this form—please use the Transportation Permission Form. If you have any questions, call the Transportation Department at 518-775-5788. Transportation requests take 48 hours to process.

Please check the AM AND PM option that applies to your child.
