Coaches will arrange meeting times once teams are formed. Just like with sports, you are making a commitment to a team and should make every effort to make practices. Most teams meet once a week until it gets closer to competition.

PARENTS - I understand the importance of team practices and the time commitment to the Odyssey of the Mind program. I will make every effort to make sure my child attends practices. I give my child permission to participate during the 2018-19 school year.

This program is only successful with parent volunteers! A short training will be provided to parent volunteers on *October 18th* (7-8:15pm) with more information about the program, as well as ongoing support throughout the school year. It is helpful to have two coaches per team so feel free to make a note below if you have a friend you want to volunteer with.
