Warren Street’s Principal’s Report (Michael Smith & Karlen Peck/Erica Parkhurst): Character Education
Dear Parents and members of JEPTA:

As you know, I have moved into a new role at the Johnstown School District and will be working as the Director of Special Education, Pupil Services and Special Programs. I am excited about the new opportunities and challenges this new position brings but saddened that I will not be working directly with you as closely as I have in the past.

Serving as the Principal at Warren Street has been an amazing and wonderful experience. I have been sincerely impressed by the dedication, passion, and commitment that the members of JEPTA have in making sure that the students in our schools have the best opportunities. I have never seen such a hard working group! Thank you for all you do for our children and allowing me to be a part of it. Our families are so lucky to have you endlessly advocating, fundraising, planning and working on their behalf.

While I know that I won’t see all of you as often in my new role, please know that I remain committed to the success and most positive experiences for all our students. I am excited to see what the future can bring and hope you will reach out if there is anything I can do to help in the future.

Yours Truly,

Nikki Lent
