EXCLUSIONS AND LIMITATIONS

Replacement of Crowns and Prosthetic Appliances

- There is coverage for replacement of an existing crown, partial or full removable denture or replacement of fixed bridgework by a new denture or bridgework, or the addition of teeth to an existing partial removable denture or to bridgework to replace extracted natural teeth, only if the Plan is furnished satisfactory evidence that: (a) The existing denture or bridgework was inserted at least **five** years prior to its replacement and that the existing denture or bridgework cannot be made serviceable by a dentist or (b) In the case of a crown, that at least **five** years has elapsed since the crown was inserted.

In addition to the exclusions and limitations as stated in the CSEA Dutchess Dental Plan Schedule of Allowances and those listed above, this Plan does not cover:

- charges for any type of service or appliance not described in schedule of allowances.
- treatment by other than a licensed dentist or dental hygienist acting within the scope of licensure.
- services and supplies that are primarily cosmetic in nature.
- replacement of a lost or stolen prosthetic appliance.
- duplicate prosthetic appliances or services.
- dentures, crowns, inlays, bridgework or appliances to change or maintain vertical dimension.
- precision or other elaborate attachments or features for dentures, bridgework or any other dental appliances.
- any service rendered or appliance inserted before the eligibility date under this Plan, or after the termination date.
- splinting.
- treatment covered by Workers’ Compensation or similar law.
- charges for expenses which are reimbursable through “no-fault” automobile insurance.
- any claim or appeal that is submitted after a period that exceeds one year from the calendar year in which dental services were rendered.

- temporary dental services which will be considered an integral part of the final dental service rather than a separate service.

Coordination of Benefits

Since it is not intended that the patient receive greater benefits than the actual expenses covered, the amount of benefits payable under the CSEA Dutchess Dental Plan will take into account any coverage the employee (or eligible dependent) has under other group plans. In other words, the benefits under the CSEA Dutchess Dental Plan will be coordinated with the benefits of the other group plans.

NOTE: An employee may not be covered both as an employee and as a dependent of an employee. If both parents are Fund members, coverage for children may not be claimed under both parents.

Birthday Rule

Coordination of benefits regulations state that the primary payer of benefits for dependent children is determined by the parent who has the earlier birth date by month and day, without regard to year of birth. (other determining factors may apply)

DUTCHESS
DENTAL PLAN

SUMMARY PLAN DESCRIPTION

GENERAL INFORMATION

Enrollment

Coverage under the Plans offered by the CSEA Employee Benefit Fund is not automatic. You must first enroll yourself and your dependents in the Fund. There is one enrollment form which enrolls you in the Plan(s) negotiated for you. If you have not already done so, you can obtain an enrollment form by calling the Fund at **1-800-323-2732**. You can also visit **www.cseaebf.com** to use the “enroll online” option. You can also download an enrollment form from the website for later submission.

Enrollment in the plan does not vest any right in the covered employee except the right to receive benefits under the plan only so long as payments are being received by the Fund on behalf of the employee. Return the completed enrollment form and any additional information required by the Fund.

WHO IS ELIGIBLE

Full-Time Employee

- If you are a full-time employee in a CSEA represented bargaining unit that has negotiated with your employer for Fund coverage.

Part-Time Or Seasonal Employee

- If your collective bargaining agreement includes coverage for certain part-time and seasonal employees.

NOTE: An employee may not be covered both as an employee and as a dependent of an employee. If both parents are Fund members, coverage for children may not be claimed under both parents.

Dependents

- If your collective bargaining agreement includes dependent coverage, your dependents become eligible at the same time you do.
- You must notify the Fund promptly of changes in dependent status to ensure that new dependents receive the appropriate coverage and to avoid responsibility for charges incurred by an individual after he or she has ceased to be your dependent.

Dependents Include:

Spouse

- Your spouse. This includes a person of the same sex to whom the covered employee was married in a jurisdiction permitting same sex marriages. A spouse can be removed upon entry into a legal separation. If you become divorced, **you must** remove your ex-spouse upon the finalization of divorce.

Domestic partner

- Domestic Partner coverage may be offered by your employer. Please contact your employer for additional information.

Children

- Your unmarried children, including stepchildren who permanently reside with you and legally adopted children, under the age of 19.
- Your legal ward under the age of 19 who permanently resides with you pursuant to a court order awarding legal guardianship to you.
- Any child or ward described above, regardless of age, who is incapable of self support by reason of mental or physical disability, provided he or she became so disabled prior to reaching the age of 19.
- Any child or ward described above under the age of 25 who is a full time student (minimum of 12 undergraduate or 6 graduate credit hours) enrolled in a regionally accredited college or university and working toward a Bachelor’s Degree (e.g., B.A. or B.S.), Master’s Degree (e.g., M.A. or M.S.) or Associate’s Degree (e.g., A.A. or A.S.). Technical courses of short duration do not qualify, even if a diploma is awarded. The Fund requires that current proof of student status be provided annually by completion of a Student Status form available from the CSEA EBF.

C.O.B.R.A.

- If you become ineligible for Fund coverage because of retirement, termination, layoff, leave without pay or reduction in hours, you may have certain rights to continue Plan coverage through C.O.B.R.A. Under these and certain additional circumstances, your spouse and/or dependent(s) may have rights to continue coverage through C.O.B.R.A. as well.
- Before your payroll status changes, ask your employer for details about continuing coverage through C.O.B.R.A.

Appeal Procedure

- If you feel that you did not receive full benefits, you may appeal to the Fund. Send a letter to the Fund explaining why you feel you did not get the full amount to which you were entitled. Include copies of supporting documentation.
- ALL appeals must be submitted within 60 days of the determination being appealed.
- This appeal procedure is not designed to cover services not covered by the Plans.

DUTCHESS DENTAL PLAN

How To Use This Plan

- You may use any licensed dentist for dental care.
- The Fund contracts with participating dental offices to accept the fee schedule as full payment for covered services whether payment is made by you or by the Fund.
- If you would like to view our current Directory of Dental Care Providers, you can request a copy by calling us at **1-800-323-2732** or visit our website at **www.cseaebf.com**.
- Specialists within participating general practices may have the right to bill members for the difference between the specialist’s customary charge and the allowance which the CSEA Employee Benefit Fund pays under the Dutchess Dental Plan. The Specialist must inform the Fund and the member that he/she will not be accepting the plan allowance as payment in full and must provide proof of specialty status to the Fund.
- If you choose a non-participating provider, and are charged more than the amount listed under the Schedule of Allowances you must pay the difference.
- A universal American Dental Association (ADA) claim form, available through your dental provider, or a CSEA claim form which may be obtained from our website at **www.cseaebf.com** must be used to submit for completed services. Electronic claims are also accepted.
- The Fund does not recommend that you use any particular dentist, either participating or non-participating.**

**Submit all dental claim forms to:
CSEA EMPLOYEE BENEFIT FUND
P.O. Box 489 • Latham, NY 12110-0489**

Maximum Benefit – Dental Plan

- There is a \$3210.00 a year maximum on dental benefits for each member and dependent.
- For year 2014 and on, there is no annual maximum for children under the age of 19, per the Affordable Care Act guidelines.
- This maximum is on a calendar-year basis (January through December).
- Under this maximum, we are assuming liability for up to the first \$3210.00 of covered dental work per year. This maximum does not apply to orthodontics or implant body placement.
- We encourage those about to undergo extensive dental treatment to discuss those plans with the dentist beforehand. There are often less expensive alternatives available which will provide high quality dental care.

Pre-Authorization of Benefits

- Whenever the estimated cost of a recommended dental treatment exceeds \$500.00, we advise the submission of a preauthorization before the work begins.

- Use a dental claim form for this submission and include the related x-rays.
- After review, the Benefit Fund will notify the member and the dentist of the benefits payable based upon the treatment plan.
- In determining the amount of benefits payable, consideration will be given to alternate procedures that will accomplish a professionally acceptable result.
- If the member and the dentist agree to a more expensive method of treatment than that pre-authorized by the Benefit Fund, the amount exceeding the pre-authorization will not be paid by the Fund even if it would otherwise be a covered service. If we recommend alternate benefits, you should also discuss this with your dentist.
- For Example: If your dentist submitted a pre-authorization for a crown which would cost \$775.00 and review by our dental consultant showed that an amalgam restoration for \$160.00 would give an acceptable result, the Benefit Fund would pay only \$160.00. If the member decided to have the crown, he or she would pay the difference of \$615.00 (\$775.00-\$160.00).

A pre-authorization is not a guarantee of benefits. Payment is always subject to eligibility at the time of service.
