

## **Humana Dental Reimbursements - FHT**

For dental reimbursements, according to the specialized team than handles those questions (Humana Dental – 800-233-4013), there is not a claim form for member to use to submit reimbursement requests.

They advise policy holds to submit a written letter explaining what they are requesting in addition to the bill from the provider as well as the receipt showing they have paid for the services.

The team also advised to have them mail the reimbursement requests to the address below:

Humana Specialty Benefits Claims  
P.O. Box 14611  
Lexington, KY 40512-4611

Thank you!
