Julia gives an update:

C&H Fundraiser

\*Not going well in Julia's opinion. Fundraisers were due today and we are still collecting funds.

Wreaths (Goderie's Tree Farm)

\*wreath sale is going well. Making around \$500 as of right now and made over \$800 total last year.

*Apparel update (Jamie)*

\* Is going well, but is this worth it? Did not make much profit. Some items are missing from the orders. We will check on this and correct the situation.

### III. Other Reports

Outreach/Membership Drive

Jamie visits Knox Faculty Meeting to promote JEPTA

Membership table will be set up at the Bowling Tournament this weekend. We want to make direct contact with past members that did not renew. (postcards?) An idea to do a drawing for those that have signed up. Nancy would also like to send flyers to families that are colorful with pictures.

**Appreciation Chair: Jacky Whitman**

\*See below for list of Thank You's sent\*

SRP(School Related Professionals) day is being asked to contribute to each school. In the past, JEPTA has contributed a larger amount to Staff Appreciation Day rather than each individual day. It was suggested by Cory that it might be easier to keep it this way so no one gets left out. Per

discussion, it was agreed by members that they should at least for this year continue what was done in the past.

#### VIII. Thank You's Sent

- Geoff Gray- pumpkins for Trick or Treat
- Mrs. Whitman- cookies for Appreciation gifts
- Downes' Family Farm- Haybales and Cornstalks for Trick or Treat

#### X. Upcoming Events

- Book Fair updates? (Natasha Allen)  
\*Tax issue to be discussed. Pleasant Ave was having credit card issues, this may have been a connectivity issue. Bank bags being given by Christine Carpenter.
- JEPTA BOWL a THON - Nov 15, 2025  
\*Bug Country is going to be there with a LIVE broadcast! 15 baskets have been donated. 15 teams are currently registered through the school and more will be joining from the bowling alley. Around 10 Lanes have already been sponsored.

Discussion was had about serving alcohol at the tournament. Jamie has reached out and also had initial concerns. It has been discussed as a group and with the bowling alley. We are not liable for the snacks or drinks and will have no affiliation with this. It is a public place and OTB affiliate so they will continue to run.

- December- Holiday Event ( Warren St- Wonderful Time of Year Chairs: Jamie & Cory)

\*Met last night and it was a very productive meeting. \$2 a child flat rate. Students only, not parents. Flyers and reservation forms are ready to go. Getting rid of the stamp check in map. Punching a card instead so that it can be resided year to year. Santa is secured and we are trying to get a photograph printed for each child. the activities. Staff have already filled in most all volunteer positions and we are hoping parents will fill in the rest.
